**A. DECLARATION OF COMPLIANCE – IDA MEASUREMENT COMPLIANCE FOR DRAGON YACHTS.**

1. I am the skipper (“Skipper”) of the vessel mentioned in the schedule to this declaration (“Vessel”) which has entered the championship also mentioned in the schedule to this declaration (“Championship”).
2. I have made due and reasonable prior enquiry and investigation to enable me to confidently make this declaration.
3. To the best of my reasonably informed knowledge and belief:
  - a. The vessel, and all her fixed and running rigging, as she will be presented and sailed during the Championship, is compliant with IDA measurement standards and requirements.
  - b. All sails carried and/or used in connection with the Vessel during the Championship are compliant with IDA measurement requirements, bear an IDA authorised measurement label and have not been altered or recut in any material respect since affixation of the IDA authorised measurement label so as to no longer be compliant.
  - c. No more than eight designated sails shall be carried or used in connection with the Vessel for the Championship and the designation of such sails shall be made by the Skipper prior to the commencement of the Championship (and shall not be changed during the Championship) and such designation must be disclosed by the Skipper on request by any Championship official.
  - d. The aggregate weight of all crew of the Vessel immediately prior to the Championship does not and will not exceed 285 kg in compliance with IDA measurement standards.
  - e. I solemnly make this declaration knowing that the consequence of any material error or incorrect statement in it is serious and may result in disqualification of the Vessel from the Championship.
- B.** I agree to be bound by the Racing Rules of Sailing as amended by the Notice of Race and Sailing Instructions for this event and by all other rules that govern this Championship. I confirm that I have current insurance valid for the period of the Championship evidencing insurance cover in respect of Third Party Liability and Public Liability of not less than AUD\$10,000,000.
