NOTES

The level of fees payable for both membership and ancillary fees has been retained at 2019 financial year levels with the exception of the rate for Ordinary Members who are full time students. This has been set at the same as that for Juniors.

To be eligible for the Ordinary Member "Student Rate", proof of full time student status must be provided at the time of paying the fee.

Family Membership is only available to members of a "family unit" consisting of an adult couple or single adult together with any children under the age of 18, all living as a family.

As advised at the beginning of the financial year, the 2019 financial year was the last in which membership bar credits would be issued and these credits expire on June 30th 2019.

The Sailing Fee is payable by all adult members who sail on more than 3 race days in a season (excluding Twilight Sailing). There is no limit on how often a sailor may participate in Twilight Sailing with paying the fee. The fee does not apply to Juniors.

The Boat Entry Fees are payable before a boat is eligible to participate in any event except Twilight Sailing and regattas which have their own Boat Entry Fee payable. Casual boat entry fees paid are not deductible against any series fee paid subsequently.

If the Series fee for either the CCH or CWB Series has been paid for a particular boat, this also covers those races which are not part of either of these series and which do not have a set regatta entry fee payable.
