SAILING ELIGIBILITY & FEE REQUIREMENTS

SAILING PARTICIPATION

To be eligible to compete in any club event, a sailor must be a financial member of the Club and have paid the Club Sailing Fee, unless participating as a guest. To enable guest crew to try sailing before joining the Club, each guest is allowed to participate in a total of 3 race days before being required to satisfy the normal eligibility requirements. The Sailing Fee is waived for Junior Members.

None of the above fees apply to Twilight or Winter Racing which are targeted at introducing people to sailing.

The Sailing Fee is charged to help pay for the cost of running the sailing program and does not apply to participation in stand alone regattas.

BOAT ENTRY FEES

Entry fees are payable to enter a boat in either of the Club Championship (CCH) or the Scarborough Cup Championship series for Classic Wooden Boats (CWB). These fees also cover any Club Races which are not part of either of these series. They do not cover stand alone regattas which may have their own entry fees.

If a boat wishes to participate in any race and has not paid the applicable full series fee, an Individual Race Entry Fee is payable before participating. There is no limit on the number of races that may be entered under this Individual Race arrangement.

There are a number of races not included in any of the above Series. These include The Commodore's Cup, The Chichester Single Hander, The Betty Dack Lady Skipper's, the Managers Trophy Crew Skipper's races, the one non-CCH race in each of the J. C. Bull, Sou-Wester & P. B. Lawrence mini-series and the 'Christmas regatta'. For boats that have paid the entry fee for the Club Championship or Scarborough Cup series, there is no entry fee for these races. For others the Individual Race Entry Fee applies.

No entry fee is payable for the social Twilight or Winter Sailing events.
