- Boats and trailers are to be kept in a functional, neat and orderly manner.
- Boats may be stored with their mast up or horizontally on top of the boat unless one option is specifically required by the Club. Masts may not be stored on the ground.
- Masts which are stored horizontally must not protrude past the bow of the boat or the front of the trailer.
- The wheels of all trailers must be properly chocked to ensure they are unable to roll.
- The Club accepts no liability for any loss or damage to any boat or trailer stored on the Club's lease.
