

# Metung Yacht Club

## 2023-2024 Sailing Season

23/11/23

## Change to NOR

The Organizing Authority is Metung Yacht Club Inc. (MYC)

### 2 SAFETY REQUIREMENTS

New paragraph 2.4 reads:

In addition to the requirements in the CAT 7 Equipment List, all boats shall carry Flares to a minimum standard as contained in the Inshore Flare Kit: 2 Orange, and 2 Red.

### Background

In accordance with Maritime Safety Victoria recent rule changes, boats must carry either an EPIRB, a 25W VHF radio, or Flares. The simplest solution is to mandate the carriage of Flares for boats participating in MYC events.

To allow sufficient time for boats to comply, this change comes into effect immediately however boats shall have until 1/1/24 to ensure compliance.
